We have a number of students who have life threatening anaphylactic allergic reactions to all nuts and peanut products. We would like to encourage families not to send these products to school with their children. These include peanut butter, nutella, sesame seeds, loose nuts, muesli, nut or chocolate bars or any products containing any type of nuts. We also encourage children NOT to share food at school.
PRINCIPAL’S MESSAGE
The amazing sailing feats of Jessica Watson have inspired many people in Australia. While not aiming to undertake anything on such a grand scale, hopefully our students can use Jessica’s accomplishment to realise that they “can do it” in achieving quality work and quality relationships.

RAW ART VISUAL ARTS LESSONS
These interesting and creative lessons started yesterday. Children can still bring in money and permission notes.

INDIGENOUS GAMES PROGRAM
Indigenous students from GTHS have trained as mentors and will provide a games program for our Indigenous students on Thursday from 1:15 to 2:30 pm.

HALL OFFICIAL OPENING
DET has provided the school with a date for the official opening of the school hall. This will be Monday 28 June (the last week of this term) at 10 am. A timetable of events and protocols to be observed will be needed. I am looking to form a committee to oversee planning of this special occasion.

RESIDENCE ROOF
A safety fence will be erected this week. The residence and garage roof will be replaced commencing on Monday 24 May.

CARPARK PROBLEMS
With increased use due to leasing of the hall there are problems in the carpark. Some users are entering the carpark quickly. Please use the carpark safely at all times.

STUDENT WELL BEING: NEW PLAYGROUND PROCEDURES
We are continuing to improve our procedures to ensure a happy and safe environment. The revised procedures were communicated to all students at yesterday’s assembly. They have been printed in this newsletter for you to discuss with your children.

UNIFORM
The colder weather always presents challenges in adhering to full uniform. Jumpers and jackets are to be red or black or can be the items available from our uniform supplier Boots and All. I understand that there can be “one-off” occasions during rainy times when a student might not have the school jumper. We can lend a jumper from the office to cover these circumstances. If there are any financial reasons for not wearing school uniform please contact me and I will arrange for assistance.

Have a happy and safe week.

NAIDOC Week celebrations between the 4 and 11 of July.
NAIDOC is a celebration of Aboriginal and Torres Strait Islander cultures and an opportunity to recognise the significant contributions of Indigenous Australians. Find out more at www.naidoc.org.au

Eco tip
Did you know?
Australians are the second highest waste producers in the world.
We throw away 3.3 million tonnes of food a year - the equivalent of a quarter of the nation’s food supply.

What can you do?
Shop smartly – avoid unnecessary packaging and buy only what you need.

Internet safety tip
Remind your child to keep information such as their name, address, phone number, school and even your credit card number to themselves. When signing up to a chat room, they should use a screen name that is a nickname and not easy to work out. The same goes for choosing passwords - don't make them easy to figure out. If your child is going to put photos on the Internet, ensure they don't show them wearing their school uniform – this can be enough to identify your child's school. Also ensure that any photos are not the type that would attract unwanted attention from strangers.

Helping your child with writing
Ask your child to tell you about events which did not involve you, e.g. a friend’s birthday party. This helps them work out what a listener needs to know and prepares them for writing.

Week 5 Terms 2 & 3

Raw Art is a mobile Visual Arts service offering an exciting diverse program full of educational and fun filled experiences for all students.

As this program was so popular last year our school will again be offering students the opportunity to be involved in a whole class Visual Arts lesson conducted by very experienced art teachers that will visit the school on the above dates. Each class has selected a focus for their works including printmaking, photography, sculpture or painting and drawing and will complete two in-depth lessons using a variety of resources. Each student will complete a hands-on finished product during each lesson that will be displayed at school for a period of time and then sent home for each child to keep.

The completed works look amazing and students will learn about the topic their lesson focuses on as well as looking at various artists and materials and resources used to create different forms of artworks. Students will be given opportunities to consider appreciation of famous artworks as well as artworks of their peers.

Cost: $6.00 per child per workshop

EXPRESSION OF INTEREST: OPPORTUNITY CLASS PLACEMENT

Dear Parent/Guardian

Government schools use a range of strategies to meet the educational needs of gifted and talented students. One such strategy is opportunity class placement which provides intellectual stimulation and an educationally enriched environment for gifted and talented students in Years 5 and 6.

Offers for opportunity class placement will be made on the basis of the Opportunity Class Placement Test results and school assessment. The Opportunity Class Placement Test will be held on Wednesday 28 July 2010.

If you would like to apply for opportunity class placement of your child in Year 5 in 2011 you may do so by completing EITHER:

a) an application form online. You will need to have an email address (not the student’s email), access to the Internet and a printer. Online applications must be completed by Friday 21 May 2010.

OR

b) a printed application form and returning it to the school by Friday 21 May 2010.

Detailed instructions on how to apply online will be available from Monday 10 May 2010 at the following website:

The applications will be processed by the school in exactly the same way whether you apply online or submit a printed application. Parents are to submit only ONE application form for each student.

The Selective High School and Opportunity Class Placement Unit would encourage as many parents as possible to apply online.

Yours sincerely

Principal

Cut along the dotted line and return the completed slip below to this school by next Friday.

☐ I will be completing my application online for Year 5 opportunity class placement in 2011.

OR

☐ I request a printed copy of an application package for Year 5 opportunity class placement in 2011.
